South Dublin County Public Participation Network (SDC PPN) is committed to making its website accessible to as many people as possible, regardless of ability, technology or circumstances.

We want everyone to be able to access information about the PPN, understand how to get involved, and participate in our work.

## Compliance Status

This website is designed and maintained to be accessible in line with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA, or successor standards, where reasonably practicable.

We work to ensure that:

- content is clear and readable
- pages are easy to navigate
- colour contrast and text size support readability
- the site is compatible with assistive technologies

Accessibility is considered as part of ongoing website development and updates.

## Accessible Content

We aim to:

- use plain English wherever possible
- structure content clearly
- provide meaningful headings and links
- make online forms accessible

Some older documents or third-party content may not fully meet accessibility standards. Where this is the case, we are happy to provide information in alternative formats on request.
